We are going to do a task about mother's day.

What do you know about Kandinsky?

Wassily Wassilyevich Kandinsky was a Russian painter and art theorist. Kandinsky is generally credited as the pioneer of abstract art.

What are we going to do?

- Draw a picture with hearts or circles like Kandinsky. For example:

You can watch this video about this picture.

When you draw it, you can write a sentence to your mother on the picture. For example: "I love you", "Thank you for everything", etc.

I'm sure your mother will love it. When you finish, you must take a photo and send it to joseangel.perez@murciaeduca.es
